Subject: **Execution of Diving Services for Bouri Gas Utilization Project**

On behalf of SAIPEM Bouri Gas Utilization Project Team, I am writing to express our satisfaction and commendation for DRAFINSUB's performance in the execution of diving services for the BGUP project at the Bouri field. The subsea survey conducted by your proficient team of divers was carried out with remarkable professionalism, ensuring the highest standards of safety and adherence to project requirements.

Your team's expertise and dedication were instrumental in achieving the project's objectives without any incidents, showcasing the high level of operational capability and safety culture that DRAFINSUB upholds.

We look forward to continuing our collaboration with Drafinsub on future projects and are confident in your ability to consistently perform at such level.

Yours sincerely,
